To

B. Narayanswami Iyengar, Esq.,B.A.,B.L.,
Secretary to Government, Development Departments,
Public Offices, Bangalore.

SIR,

I have the honour to state that Final proposals made by the Charge Superintendents for taking the Census both in urban and rural areas have been approved by me after scrutiny. A large number of officials of all Departments have been employed as Enumerators and Supervisors in the Charges where they are now stationed and their training has begun. For the efficient discharge of the work entrusted to them it is essential that these Census Officers should continue in their present places with which they are familiar. Reports have been received from some Charge Superintendents that officials appointed as Census Officers have in some cases been transferred and this has occasioned dislocation of work. I have therefore the honour to request that instructions may kindly issue to Heads of Departments, Deputy Commissioners and District Heads of other Departments not to transfer or grant any other than casual leave to officials of their departments who have been drafted for Census work from now to the end of February 1931, except when this is quite unavoidable.

I have the honour to be,
Sir,
Your most obedient servant,

M. Venkatesaiyengar

CENSUS SUPERINTENDENT.
